

Autumn Newsletter

We hope you all had a lovely restful summer enjoying the beautiful sunshine we had. We are really looking forward to the term ahead.

We would like to welcome some new children who have joined Little Gems this term: Mya, Rosie, Ella, Toby, Harrison and Kenny.

We would like to take this opportunity to Congratulate Katie Linham who is expecting her Second Child, a baby girl in January 19

We wish her all the best and can not wait to have cuddles in the new year.

Sparkle the bear

If your child is chosen for star of the week this could be for anything for example helping tidy, being kind to our friends, settling in well to pre school following our golden rules ect. They will get the opportunity to take sparkle the bear home for the weekend to join in with your family activities, which you can then document in the book that will be provided so the children can show everyone at circle time. We are looking forward to seeing sparkle bears adventures with you.
